

# *Friends of Silver Glen*

**Tuesday, December 15, 2009** the Friends of Silver Glen Springs will meet at 6:30 pm. Please note the location has changed to the **Bait Shop and Marina at Blair's Jungle Den in Astor, Florida.** For those of you who our unfamiliar with the location by land, we are approximately 6/10 of mile east of the Astor Bridge off Highway 40 and then just follow the signs! We have enough chairs to sit about 23 in the room so to be safe, we ask that all bring a folding chair with them just in case.

The purpose of the meeting is to confirm a slate of officers:

- President
- Vice-President
- Secretary
- Treasurer
- 2 Alternate Board Members

We will also need worker bees and those businesses who can volunteer in-kind services, i.e. printing, continuing the web service and the like.

We will also explain the need to set up a 501(c)7, how it works, and why we should go in this direction.

We will also explain using an Attorney verses a CPA for this process.

We will announce a bank for setting up a checking account for the organization.

And, last we will announce our financial pledges to date toward making our commitments.

While the store will not be open for business, let's consider this a holiday gathering for ourselves and, if you are so inclined, bring a a dessert to share. Blair's will provide hot apple cider and coffee.

Look forward to seeing you Tuesday!
